

“What’s New?”
From Kandice of Enchanted Fantasies

September 2, 2017 - After 32 years in business, my retirement years have begun and my figurines are retiring along with me. I am still very much interested in continuing my jewelry designs and most are still being produced, although at a slower pace. Right now I am very absorbed in my new line of collar necklaces, so please check those out by using the link to the PDF file on the home page. New and different work will be featured on this page. I am giving myself the freedom to do whatever feels good and brings joy to myself and to others. I hope these PDF pages work well for you, as they are easier for me to keep my website going at this point. Please use the (+) and (-) icons on the bottom of the PDF page to enlarge the photos on your computer screen. Many items are now being offered at wholesale prices through this web site only.

If you would like more or larger photos please email me: KandiceCrusat@gmail.com
